

The American Traffic Safety Services Foundation presents
the “2011 Golf Classic Tournament Annual Giving Campaign.”

- What:** The Foundation’s Golf Classic Tournament attracts nearly 138 golfers from the roadway industry. As an annual giving sponsor of this important event, you and your company will partner with the Foundation to continue promote roadway safety through charitable giving and public awareness programs across our nation. These include scholarships for children of deceased or disabled workers, a Memorial for highway workers who have lost their lives in the line of duty, and a poster contest design to educate future drivers about work zone safety. Join us to help save lives of roadway workers and the driving public.
